

JANUARY - DECEMBER 2025

CONFERENCE WITH A CONSCIENCE

Nestled deep in the Noordhoek Milkwood forest at the foot of Cape Town's Chapman's Peak Drive is Monkey Valley Beach Nature Resort.

The Resort has unparalleled views of the 8km Noordhoek beach and is situated in a 400-year-old Milkwood tree forest and Nature Reserve.

We offer a variety of unique Venues and we can help you organise anything from small executive meetings to large International Congresses.

This is a perfect setting for inspiration and tranquillity, with breath-taking scenery, luxury accommodation, and friendly staff and our Thorfynns Restaurant & bar, which is fully licenced.

Although the Resort is in close proximity to Cape Town City centre, Cape Town International Airport and other amenities, you will feel as if you're in another world from the minute you arrive.

Our incredible musician and percussionist Leon creates a non-competitive environment in which people listen to one another. Each participant will be given a drum, seated in a circle and invited to join in a drumming performance. A simple drumming rhythm starts and the group is taught to drum together, making music as a collective- a powerful connecting exercise.
